# RUFF MAKING A DIFFERENCE...

**DABO**

## THANK YOU, RUFF!!

While walking Dabo, my 11 month old 5/15 pound dog, he was attacked by a very large vicious dog.

Luckily he survived but needed emergency surgery to repair his jaw which was severely broken.

RUFF guided us in the right direction and by moving quickly, Dabo made a miraculous recovery.

He has now fully recovered!

I want to thank RUFF for their assistance, support and guidance throughout this traumatic experience.

Gratefully,

— Jessica, Kevin, Hunter, Watson and Dabo Galvin

P.S. Dabo recovered ahead of schedule and has been completely released by his surgeon to return to his day-to-day activities that includes playing with his baby brother, Watson!

## RUFF,

I adopted an abandoned cat I named Max. Immediately Max needed hospitalization.

Thankfully, RUFF was able to help financially & eventually I was able to bring him home.

His hair is growing back, he's gained weight & now he is learning to play with his two furry friends, Taz & Jax. Together, they have been showing Max how to trust, play and to be a cat in a safe, loving home.

I am grateful to RUFF... and so is Max!

— Reesa Ryder

## Dear RUFF,

Thank you for everything you did to help my baby dog, Coco. Her surgery was successful. All the tumors are gone & she is healthy, active & bringing us so much joy. ALL THANKS TO RUFF!! I will never forget what you did for her. God bless.

— Emily

## "MANY, MANY THANKS!"

I wanted to send a great BIG thank you for your assistance. My little man's surgery count not have happened without you, RUFF!

Cayman is doing great and is having his stitches removed this Friday!!

Thank you for everything!

— Erin & Cayman

## CAYMAN

One of our dedicated volunteers found an abandoned dog. The dog she named Bruno needed immediate medical care. RUFF responded and Bruno is healthy & now living with a loving family.

## Planned Giving to RUFF

When forming or reviewing your estate plan, we would welcome including RUFF in your planned giving as a 501(c)(3) charity eligible for charitable deductions.

The contribution can take many forms as simple as leaving a specific "Cash Bequest" in your Last Will or Living Trust to forming a "Charitable Remainder Unitrust", "Charitable Lead Trust", or a "Charitable Gift Annuity". Donors may also name RUFF as a beneficiary of their trust, IRA, retirement plan, or other form of planned giving. Often these gifts receive tax benefit as well as, can be explained by your accountant or other professional advisor.

Since 1988 RUFF has helped thousands of animals with owners that could not afford to give them the veterinary care they desperately needed. In addition RUFF assists in spray & neuter. Experts agree that spay and neuter is the answer for shelter overcrowding and euthanasia.

We are able to provide these services because of the donations from supporters like you. Please help us continue to help our beloved animals.

*RUFF Rescue is a registered 501(c)(3) charity. Your donation is a tax deduction and helps save animals.*
